Taking the Road Less Traveled

Important Information

Registration
Registration is the first step and will be available each year in August for fall conferences and January for spring conferences. At this time, group coordinators let us know how many people will be in their group (we require 1 adult chaperone for every 15 students) and submit payment. Selecting sessions (for registered participants) begins approximately 1 month before the conference and needs to be completed by 2 weeks before the conference date. Participants will enter individual information (name, grade, etc.) and will select the sessions they would like to attend. Instructions for completing this step will be emailed to group coordinators.

Time/Schedule for the Day
Please choose a conference date that will allow your group to stay for the whole conference (9-2:30).
