Hello,

Your career is built on connections and career fairs are a great way to develop relationships. Be sure to take advantage of your career services offices, check out page 13 of your WiSE academic planner, and attend company information sessions over the next few weeks to learn more about the amazing opportunities in your fields.

I encourage you to visit with WiSE corporate sponsors who are committed to diversity and say thank you for making WiSE programs and services possible!

Watch for WiSE buttons on alumnae and corporate partners and have fun networking!

Lora Leigh Chrystal, Director, WiSE
218 Carver Hall, 515.294.0966

All individuals who identify as female in STEM majors are welcome in WiSE! Below are some ways to engage, but feel free to stop by 218 Carver to learn more and visit with WiSE staff members!

Emerson

Emerson has boldly transformed itself to create value for our customers and shareholders. With our newly energized focus on our two core business platforms — Automation Solutions and Commercial & Residential Solutions — we can confront the challenges of an increasingly complex and unpredictable marketplace from a position of strength. This allows us to drive both near- and long-term value. And retain our single-trusted-partner status with the process, industrial, commercial and residential industries.

Pella

We’re a Team
At Pella, our teamwork, diversity and open two-way communication ensure that everyone’s ideas and suggestions are heard, and that each person feels respected and valued. For example, we hold regular company-wide meetings on our State-of-the-Business. Pella also has a strong history of sharing the rewards of our success with all team members: Our six-decade history of profit sharing is just one way we do that.

Commitment to the Environment
Pella Corporation is not only committed to providing the most energy-efficient products to its customers, but also involves its employees in meeting its environmental stewardship goals. Team members have access to online “green” resources, volunteer for events such as community eCycling, and even serve on internal sustainability teams.
