Dear Greetings!

You made it to November and a break is just around the corner!

A special thank you to all of you who have been volunteering with WiSE this semester! Whether it was the Kickoff, STEM Fest, or Taking the Road Less Traveled, we appreciate your time and giving back to WiSE!

We know that stress levels may be rising, and immune systems are breaking down, but please take a moment to remember you are not alone, you will make it through, and WiSE is always here to help.

Lora Leigh Chrystal, Director
Program for Women in Science and Engineering (WiSE)
218 Carver Hall, 515.294.0966

You are receiving this monthly newsletter because you are enrolled as an undergraduate student in a STEM major. We obtain a list at the beginning of each semester from the office of the Registrar. If you have any questions please contact wise@iastate.edu.

All individuals who identify as female in STEM majors are welcome in WiSE! Below are some ways to engage, but feel free to stop by 218 Carver to learn more and visit with WiSE staff members!

Use Your Voice: Complete Your Campus Climate Survey!

Iowa State University has extended the deadline for the campus climate survey to November 7th. We need your help to create a more inclusive educational environment. Join by sharing your story, your experiences. Every voice needs to be heard to make change.

It starts with you.
