September e-WiSE

Dear Greetings!

Being WiSE means persevering through obstacles and asking for help. As the semester gets underway, remember that WiSE and other campus departments (Academic Success Center, Student Wellness, Student Counseling Services, and more), are here to help you succeed. All you have to do is ask.

Be kind to yourself and one another,

Lora Leigh Chrystal, Director  
Program for Women in Science and Engineering (WiSE)  
218 Carver Hall, 515.294.0966  
WISE Facebook Page  
Twitter (@WiSE_ISU)  
Instagram (WiSE_ISU)

You are receiving this monthly newsletter because you are enrolled as an undergraduate student in a STEM major. We obtain a list at the beginning of each semester from the office of the Registrar. If you have any questions please contact wise@iastate.edu.

All individuals who identify as female in STEM majors are welcome in WiSE! Below are some ways to engage, but feel free to stop by 218 Carver to learn more and visit with WiSE staff members!

Lunch & Panel with Pella Corporation - Sep. 10

Special Lunch with Pella Corporation  
Monday, September 10, 11:30a-1:00p

Join ISU & WiSE Alumna, Laura Phillips, and Pella Corporation representatives for lunch and a panel. This is a great opportunity to connect with a fantastic company before the career fair.

Details:  
Lunch available: 11:30-12:10p, Carver 218  
Panel with Pella: 12:10-1:00p, Carver 232
Upcoming Speaker: Danielle Feinberg, Pixar

The Art of Science: Bringing Imagined Worlds to Life
Danielle Feinberg
Thursday, 06 Sep 2018 at 7:00 pm
Great Hall, Memorial Union

Danielle Feinberg, Pixar Animation Studio's Director of Photography for Lighting, uses math, science and code to bring wonder to the big screen. Go behind the scenes of some of your favorite animated movies to discover how Pixar interweaves art and science to create fantastical worlds where the things you imagine can become real. Feinberg has a Bachelor of Arts in Computer Science from Harvard University. In addition to her Pixar work, she mentors teenage girls, encouraging them to pursue code, math and science.

Cosponsored By:
- College of Design
- College of Engineering
- College of Liberal Arts & Sciences
- Computer Science Department
- Electrical and Computer Engineering Department
- Program for Women in Science and Engineering
- Committee on Lectures (funded by Student Government)

What are your top five strengths?

NEW FIRST-YEAR STUDENTS: you should have received a separate email about the First-Year StrengthsQuest Retreat on September 21. Click here for more information and registration details.

NOT A FIRST-YEAR STUDENT?
WiSE provides free codes to learn more about your top five strengths. Email wise@iastate.edu to get your code today!
Study Abroad with WiSE

The WiSE London Spring Break Study Abroad Program is a great introduction to studying abroad and provides unforgettable opportunities to develop personally, make new friends, and explore a new place.

This study abroad program is linked with course, INT ST 295 (3 cred), which also fulfills International Perspectives requirement.

Visit the WiSE table at:

Tour the World: Tuesday, Sep. 4, 4:30 PM - 6:30 PM, Howe Hall Atrium

Study Abroad Fair: Tuesday, Sep. 13, 10:30 AM - 1:30 PM, MU Great Hall

Access the application and read more about the course and trip here.

Womxn of Colour Retreat - Sep. 22-23
WiSE is committed to a campus environment where students feel safe, welcomed, and included. Be sure to check out the Green Dot Launch of September 26 (flyer below) to learn more about how you can make our community safer.
