

September e-WiSE

Dear Greetings!

It is often hard to stay focused on academics when we are all affected by recent local, national and world events. Remember that leading the change can be done in small ways – volunteer, donate, stay informed and speak out. Lift up your classmates affected by policy or Mother Nature. Stay focused, be WiSE.

All the best,

Lora Leigh Chrystal, Director
Program for Women in Science and Engineering (WiSE)
218 Carver Hall, 515.294.0966
WiSE Facebook Page

Instagram (WiSE_ISU)

You are receiving this monthly newsletter because you are enrolled as an undergraduate student in a STEM major. We obtain a list at the beginning of each semester from the office of the Registrar. If you have any questions please contact wise@astate.edu.

All individuals who identify as female in STEM majors are welcome in WiSE! Below are some ways to engage, but feel free to stop by 218 Carver to learn more and visit with WiSE staff members!

WiSE STEM FEST - Volunteers needed

On Saturday, Sep. 16th we will be hosting the WiSE STEM FEST on the ISU campus. Students of all ages and families will be invited to visit Iowa State University to learn about STEM through a variety of experiences including speakers, hands-on activities, demonstrations and interaction with role models.

Sign up here to be a volunteer at this exciting event.

WiSE Tailgate - September 28

MARK YOUR CALENDAR for the WiSE Tailgate on Thursday, Sep. 28, 2017, 5:00p.

Free food (while it lasts), fun activities, prize wheel, face painting, and giveaways! Please keep checking the **Facebook event** for more details and share it with your friends, too!

Volunteer for Taking the Road Less Traveled

The Taking the Road Less Traveled Conferences are for 8th-10th grade girls. [Sign up here](#) to volunteer for various jobs throughout each conference day (Oct. 19th and Nov. 2nd). [Click here](#) to watch a video about TRLT.

We also need ISU students to **share your STEM story** with participants during lunch. This connection can have a **huge impact**, so consider **encouraging the next generation of STEM women** at this outreach event. [Sign up here](#) to join us for lunch.

Study Abroad with WiSE

The WiSE London Study Abroad is a great introduction to studying abroad and provides unforgettable opportunities to develop personally, make new friends, and explore a new place.

This study abroad program is linked with INT ST 295 (3 cred), which also fulfills International Perspectives requirement.

Visit the WiSE table at the Study Abroad Fair: Sep. 14 10:30 AM - 1:30 PM, MU Great Hall

Access the application and read more about the course and trip [here](#).

Study Abroad activities in London, England to include:

- Tour various historical sites and museums
- Westminster Abbey
- Tower of London
- Science Museum
- And much more!
- Visit local STEM company
- Double decker bus tour
- Experience a UK college campus
- Catch a show in one of London's many theatres

Cost Estimate
The total cost is estimated at \$3500. Scholarships from the Program for Women in Science and Engineering in the amount of \$500 to \$1000 are available.

Course Information
Once accepted into the program, students will be enrolled into the corresponding course, INT ST 295, which occurs over the entire spring 2018 semester.

March 8-18 2018
Application deadline: November 3, 2017
Application can be accessed online via the ISU Abroad system.
