Hello,

Your career is built on connections and career fairs are a great way to develop relationships. Be sure to take advantage of your career services offices, and attend company information sessions over the next few weeks to learn more about the amazing opportunities in your fields.

Please make a special note that this year there are TWO Engineering Career Fairs on September 18th and 25th. Interested students are encouraged to attend either or both days as each day will have different employers participating.

I encourage you to visit with WiSE corporate sponsors who are committed to diversity and say thank you for making WiSE programs and services possible!

Watch for WiSE buttons on alumnae and corporate partners and have fun networking!

Lora Leigh Chrystal, Director, WiSE
218 Carver Hall, 515.294.0966

All individuals who identify as female in STEM majors are welcome in WiSE! Below are some ways to engage, but feel free to stop by 218 Carver to learn more and visit with WiSE staff members!

Proctor & Gamble

Proctor & Gamble is hosting an information session TODAY, Thursday, September 13th from 6:00-7:00pm in Hoover 1227. Come enjoy pizza and learn more about their Manufacturing Engineer internship and full time positions. Please be sure to bring a copy of your resume.

Emerson

Emerson has boldly transformed itself to create value for our customers and shareholders. With our newly
energized focus on our two core business platforms — Automation Solutions and Commercial & Residential Solutions — we can confront the challenges of an increasingly complex and unpredictable marketplace from a position of strength. This allows us to drive both near- and long-term value. And retain our single-trusted-partner status with the process, industrial, commercial and residential industries.

Learn more about Emerson Opportunities or visit their booths S152, S153 and S154 in Scheman Building on September 18th.

---

**Pella**

**We're a Team**
At Pella, our teamwork, diversity and open two-way communication ensure that everyone’s ideas and suggestions are heard, and that each person feels respected and valued. For example, we hold regular company-wide meetings on our State-of-the-Business. Pella also has a strong history of sharing the rewards of our success with all team members: Our six-decade history of profit sharing is just one way we do that.

**Commitment to the Environment**
Pella Corporation is not only committed to providing the most energy-efficient products to its customers, but also involves its employees in meeting its environmental stewardship goals. Team members have access to online “green” resources, volunteer for events such as community eCycling, and even serve on internal sustainability teams.

Learn more about Pella opportunities or visit the Pella booths S243 and S244 at Scheman Building on September 25th from noon - 5:00pm.

---

**John Deere**

There are 7 billion people on this planet. And by 2050, there will be 2 billion more... many moving into urban centers at an unprecedented rate. Making sure there is enough food, fiber and infrastructure for our rapidly growing world is what we’re all about at John Deere. And it’s why
we’re investing in our people and our technology like never before in our 175-year history. Here the world’s brightest minds are tackling the world’s biggest challenges. If you believe one person can make the world a better place, we’ll put you to work. RIGHT NOW.

Learn more about John Deere opportunities or visit the John Deere booths at the upcoming Career Fairs:
September 18th at booth S298 in Scheman Building
September 25th at booths H214, H215, and H216 in Hilton Coliseum

Stop by and visit other WiSE Corporate Partners!

Visit the Workiva booths S226 and S227 in Scheman Building on September 18th.

Visit the Rockwell Collins booths on September 18th at S320 and S219 in Scheman Building and on September 25th at H106, H107 and H108 in Hilton Coliseum.

Trane will be in Scheman Building at booth S143 on September 18th.

Visit Boeing on September 25th at H130 in Hilton Coliseum.

Program for Women in Science and Engineering |www.wise.iastate.edu|

You are receiving this monthly newsletter because you are enrolled as an undergraduate student in a STEM major. We obtain a list at the beginning of each semester from the office of the Registrar. If you have any questions please contact wise@iastate.edu.
