### Message from the Director

We know this semester is unlike any other and recognize that things are different and hard right now. Take care of yourself, utilize resources across campus, and ask for help. We're in this together, as we navigate the new challenges this semester and school year bring.

As the semester continues, WiSE is committed to supporting you and providing resources to aid in your success and wellbeing. Our office remains open M-F from 8a -5p in 218 Carver Hall. We're here for you.

Allie Parrott, Interim Director

Virtual Study Groups

Are you looking to form or join a study group?

With classes being held in a variety of formats, we recognize it may be difficult to connect with others taking the same coursework. We're gathering interest to see what needs exist for virtual study groups.

Let us know of your interest, by completing this form.

Laptop Loaner Program

WiSE is hoping to partner with the Laptop Loaner Program, in order to provide laptops or hot spots to WiSE students in need. We are working to learn what needs exist, and would like your help!
If you are in need of a laptop or hot spot, please fill in this form by Monday, Sept. 7 so that we can understand how we can best be of service.

Please note: This is not a request form for a laptop/hotspot, but only an information-gathering effort.

Outdoor Wifi and Study Spaces

Campus users will now be able to access wireless internet in select outdoor areas around
The Student Innovation Center is now open with reservable spaces for studying. All majors welcome.

STEM Student Organizations

The Society of Women Engineers is a student organization that empowers women to achieve their full potential in careers as engineers and leaders. We
welcome men, non-engineers, and people of all identities and backgrounds because we strongly believe all allies and advocates are a positive driving force in uplifting female engineers. We have bi-weekly meetings and other events throughout the semester.

**Join us for our first general meeting this Wednesday, September 2nd from 6:30-7:30 pm in Troxel 1001.** You can also subscribe to our weekly newsletter to find out about all our events [here](#).

*Have an announcement or upcoming event for your student organization? Email wise@iastate.edu to advertise in next month's e-WiSE.*
